ELBC Tournament Attendance Policy

Commitment to Play

Members in good standing are encouraged to sign up for our In-House & Open Tournaments. By signing up, you are stating your commitment to showing up at the appointed time.

Be sure to:

1. Follow the sign-up instructions,
2. Mark your calendar with the date & time,
3. Note the day that the sign-up sheet will be taken down & the name of Tournament Conveners.

If you can no longer meet your commitment, you must remove your name from the sign-up sheet. If the sign-up sheet has already been taken down, immediately contact the Tournament Conveners. You will be expected to find a replacement player.

Uncertain Weather

Even if the weather forecast is less than ideal, you are still required to show up and register on time.

To deal with bad weather, there may be delays and/or shortened games.

On rare occasion, conveners may decide to cancel a tournament due to a very severe weather forecast. Generally, this decision would be made the day before the tournament, thereby providing time for participants to be informed of the cancellation.

Extenuating Circumstances

Overnight or on the morning of, an urgent matter may arise requiring you to withdraw from the tournament. Contact the Tournament Conveners immediately, so that they can start helping to get a spare for you. Depending on circumstances, you may be required to pay the entry fee.

No-Show Penalty

Failure to show up as expected and be ready to register & start on time for the tournament will incur the following penalties:

1. Upon 1st offence, you will not be eligible to play in the next tournament*,
2. You will be required to pay the entry fee &
3. You will not be allowed to bowl in the daily draws** until you have paid the tournament fee (to either the Tournament Conveners or a member of the Executive Committee).

* Repeat offenders will be ineligible for multiple tournaments (# TBD by Executive Committee).

** Your tag will be removed from the draw board until you have paid up.

Date in effect: May 1, 2019

INSTRUCTIONS FOR VICES/SKIPS

1. First, have a basic knowledge of the Rules and Regulations. Everyone should read the WBB Laws of the Game.
2. At the beginning of the game, identify and remember the bowls of the players on your team.
3. When first arriving at the head, note the position of the jack and bowls and which bowl or bowls are shot.
4. Always stand back of the head, behind the jack. Do not move when bowls are being delivered. **When the opposing skip is delivering, stand behind the opposing vice.**
5. Indicate clearly any change in the head: one up – one down - or a measure.

NOTE: Signals are better than words.

- To show JACK HIGH – swing one arm across in front of you.
 - To show DISTANCE, long or short of the jack, hold open palms apart, indicating the approximate distance.
 - To show a LONGER DISTANCE, extend one arm, palm down, horizontal to the green, at shoulder height or above your head.
 - THIS IS OUR BOWL – point to the bowl or bowls and then to yourself.
 - OPPONENTS BOWL – swing hand in a brushing motion over the bowl.
 - IT'S A MEASURE – join thumbs and index fingers in front of you, then pull hands apart and together again.
 - HERE IS THE JACK – cup hand on the green, just behind the jack.
 - REPORTING THE SCORE:
 - One shoulder slap for each point up
 - One thigh slap for each point downduring or after the completion of the end.
6. If asked by your skip the position of the jack or bowls or the head, you may only respond when your skip has possession of the mat, prior to bowling the bowl.

When the bowl has come to rest, possession of the mat reverts to the opposing skip.

7. Make sure the last bowl has been delivered before counting or disturbing the head. The skip delivering the last bowl shall pick up the mat indicating the end is finished.

NOTE VICES: Always help the leads in raking the bowls.

8. MEASURING

- a. Measurements shall be made from the nearest point of the jack and the bowl. Always measure from the jack to the bowl.
- b. Calipers are used when the space between the jack and the bowl does not permit the flexible measure being used. Use the calipers from the top down.
- c. At the completion of the end, the two vices count the shots. If your team is shot, the opposing vice removes the shot bowl or bowls agreed upon, placing the bowls away from the head on a towel. If measuring is required for the balance of the shots, this is done by the opposing vice who has already removed the shot bowls.
- d. When an end is completed and a measure is immediately required to determine the shot bowl, either vice may measure, but must measure to their own bowl first and then to the opponent's bowl.
- e. Where one bowl of Team A is in contention with two bowls of Team B, measure to the bowl of Team A first, then measure the other two bowls.
- f. If bowls are more than an arm's length apart ask the opposing vice to assist by holding the measure against the jack.
- g. **The skip is in charge of the game at all times** and may question the measure or the count before the head is raked.
- h. Once the head is disturbed after the count has been decided, the end is considered played and cannot be disputed, even if the skip has neglected to play the last bowl.

9. IMPORTANT LAWS TO REMEMBER

Read these laws carefully in "Laws of the Sport of Bowls", 4th edition.

Law 14	Touchers
Law 15	Marking a Toucher
Law 16	Movement of Touchers
Law 17	Dead bowl
Law 18	Live Jack in the Ditch
Law 19	Dead Jack
Law 21	Rebounding Jack
Law 38.5	Jack Displaced by a non-toucher
Law 13	Possession of the Rink

10. Check for damage after ground sheets have been removed. Use the repair kit to fix any damage.

Procedure to Run a Draw

- Draw Masters may sign up online. Click on “Download File” at the left top corner of the document. It will take you to the Signup Genius website.
- If you signed up to do the draw, please arrive at least 40 minutes before the scheduled tags in time.
- If you do not have a gate key, use lock box at the main entry gate to get the key.
- Open the north shed (the gate key opens all sheds) to get the clubhouse key. This key opens both the clubhouse and draw room.
- The draw room will have a combination lock. The draw master stays in the draw room, signs out bowls and signs them back in, receives name tags and sets up the draw. **BOWLERS DO NOT ENTER THE DRAW ROOM.**
- Use the summary sheet posted beside the draw room to determine which Green, Rinks and Direction are to be used for play during the draw.
- Determine the number of ends to play: 10 or 12, based on weather, for the comfort of the players. Under ideal conditions, play 12 ends.
- Have players set up rinks and put out the pushers, mats, green protection mats, scoreboards and jacks. Turn on the floodlights if needed.
- Collect the name tags, all tags must be handed in **by the time stated in the calendar**. Determine the number of rinks to be used. Games are generally triples or pairs.
- If you have an odd number of entries ask a player to play “swing lead” (the player will bowl two bowls for each team to start each end). Whenever you need bowlers to play up a position and are unsure if they are willing to do so, ask them before moving them up.
- Create teams using a random process. Exceptions to the random draw can be made at the discretion of the Draw Master. Only the Draw Master can change the draw.
- Be flexible, the bowlers are there to enjoy the game.
- Hang up the draw board in a suitable location; announce “Draw’s Up” and the number of ends to be played. **LOCK THE DRAW ROOM DOOR AND SHUT THE NORTH DOOR IF BOWLING ON SOUTH GREEN.**
- After play, record the signed-out bowls upon their return, return the name tags to their correct positions on the boards, ensure that the equipment has been put away. Lock the draw room door and secure the combination lock; close all blinds; turn off all lights in the clubhouse and the floodlights. Return the clubhouse key to the North shed.
- Enter the number of players on the summary sheet.

THE DRAW MASTER LEAVES LAST AND SHOULD ENSURE THAT ALL SHEDS, CLUBHOUSE DOORS AND GATES ARE LOCKED.

2. Club bowls are free for use. Members are encouraged to buy their own bowls as soon as possible.
