ELBC Men's In-House Singles Tournament

We are pleased to have a record 30 players participating in this year's tournament. The three divisions were randomly generated by computer.

Tournament Format & Rules
The tournament will consist of three round-robin divisions of 10 players each: DIV_A, DIV_B, and DIV_C.

- Match Structure: Each match consists of two 9-end games.
- Determining a Winner: A player wins the match by winning both games or by winning one and tying one.
- Tiebreakers: If players are tied after two games, a 3-end tiebreaker will be played. The player who wins two of those three ends wins the match.
- The Mat: A coin toss determines the choice of mat for the first and (if needed) third ends. The loser of the toss chooses the mat for the second end.

Player Responsibilities

- Scheduling: Players are responsible for arranging their own games. A copy of each player's contact information is attached.
- Equipment: Please ensure all equipment is set up and properly put away after your match.
- Deadlines: Games must be completed by the deadlines provided by email, posted in the locker room, and shared online. The first deadline is June 20. If you require an extension, please contact the Tournament Convener in advance.
- Scoring: Scorecards are available in the locker room. Once your match is complete, both players must sign the card. Please leave the physical copy in the locker room sign-up area and email a digital copy to mario14@icloud.com. **Scores may not be counted unless the emailed copy is received.**

Have fun and enjoy the friendly competition!
